

## [Northridge Caring for our Kids Online Training](#)

We have developed an online training system so that you can complete this training from home. The online program requires you to answer a series of questions relating directly to the policy.

You can download a copy of the Kids Church Policy from our website in the Kids Church Resources section should you require it.

<https://nvccfok.typeform.com/to/Jie75k>

Your answer sheet will be automatically forwarded to the NVC office for review. If there are any answers that are incorrect we will contact you and ask you to submit those questions again.

If you have any questions at all regarding the training or the policy, please feel free to contact Kate, [kate@northridge.org.au](mailto:kate@northridge.org.au)

Thank you!

The Northridge Team
