Worship

We believe in and value worship at Northridge. The Facilitator will let you know when it is time for Kids Worship. Please come and join with the other children for Worship. Please encourage the children to join in and help the younger children to engage. We would also ask that you participate as the children will watch you also. Feel free to speak to the kids worship team or the Facilitator if you have any questions.

The Story....

Please feel free to read this story from a children's bible—there is one available in the Gap room or to tell the story in any creative way that you like!

Jesus Heals a Blind Beggar

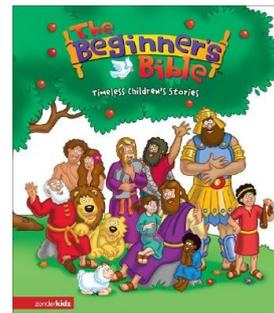

Jesus and his disciples saw a blind beggar. He had been blind since he was born. The disciples asked Jesus, "Teacher did this man sin? Or did his parents? Is that why he is blind?"

"No one sinned," said Jesus. "This happened so that God's work could be shown in his life." Then Jesus spat on the ground and made mud with his hands. He gently spread the mud on the blind man's eyes.

Then Jesus told the man "Go to the Pool of Siloam and wash off the mud."

As soon as the mud was gone the man could see! Everyone was amazed. They wanted to find out more about Jesus.

Prayer Time

The following is the structure for leading prayer in Gap. This has been designed to be simple for the children and offer a consistent structure for both children and leaders. Posters with these pictures are available in the Gap room. Lay them in the middle of the circle one at a time as you do each stage so they understand which part we are up to.

Stop

Ask children to stop everything else and sit on a cross.

Explain that it is now time to pray.

Talk

Ask if there is anything they would like to thank God for or ask God.

Give each child an opportunity to answer and then pray.

Listen

Now that we have talked to God we will stop and listen to see if there is something that he would like to tell us—explain that this may be a picture, word, thought, person, colour, idea etc. God will speak to us all differently.

Wait a minute for them to listen, then ask each of them if they had anything.
