School of Kingdom Ministries Team Commitment

The following is the set of beliefs and values that the School of Kingdom Ministries Team - which includes students, leaders, and all volunteer positions – are attempting to grasp and live towards. They inform the way we should be relating to God, ourselves and others.

GOD

- God is always good all the time. He doesn't use the devil's means to get his ends.
- God has the ability to turn any situation any way he likes. There is no issue too large for God.
- My circumstances do not determine who God is. Jesus is the perfect image of God.
- My favour with God is unconditional because it is based on the work of Jesus. I can never be unforgiven or guilty in God's eyes.

MYSELF

- I am a child of God, fully loved for who I am and not for what I do.
- Jesus has defeated sin in me; I am not a slave to sin.
- Jesus has redeemed me, I am no longer a sinner, I am a saint.
- Jesus tells me who I am and my identity is in Him; I won't look to anything else for my identity.

FAMILY (where applicable)

- My spouse comes before all other human relationships.
- My children are my legacy, and I am to invest myself in them on their behalf.

CHURCH

- I am fully committed to my local church as God's covenant people.
- I will honour the leadership of the church, school and support unity, not division in spite of any differences.
- I will not participate or endorse gossip or slander in any form.

OTHERS

- I love, respect and honour all people, regardless of how they treat me or others.
- I will work to empower other people towards their calling in Christ. I am not in competition with anyone else.
- I refuse to let fear control me, whether from people or demons.
- I chose to love others unguardedly.
- I will deal with confrontation and conflicts as quickly as possible in person with an honouring and teachable posture.

By signing this paper, I am committing to all my fellow students and leaders of the School of Kingdom Ministry to uphold these values myself, as well as to encourage all other members in these values. I will commit to living these values to the best of my ability during the duration of the school year.
